Dietary: We are sensitive too! We have gluten free option available and will do our best to accommodate other restrictions if given notice.

Trail walking: Walk the beautiful Rogart Mountain Trail - a scenic well maintained 6.2 km loop that begins and ends at Sugar Moon - and check out the waterfall, wildflowers, stunning views, quiet and tranquility. Allow more time for this experience.

GROUP TOURS

2019 Season

Join us on this unique culinary adventure. We open up our home to visitors year round. Connect with the owners. Learn about life on a maple syrup farm. Know where your food comes from. Create memories.

EAT: Sit at our hand-crafted wooden tables in front of the stone hearth and enjoy a traditional Nova Scotia Sugar Camp meal crafted with wholesome organic ingredients sourced from Maritime farms.

TOUR: In our log sugar camp, you'll hear our stories and learn about how we craft maple syrup over a wood fire. After the tour, taste a season of maple, from the delicate early syrup to the robust and dark end of season syrup.

SHOP: Choose from pure maple products, local gifts, cookbooks and more; bring a little of your experience home, or let us create a Maple Gift Bag for your guests

TREAT: We'll wrap up your visit with "Sugar on Snow" - a unique piece of Canadiana and a memorable part of the iconic sugar camp experience - hot maple syrup poured on crushed ice - when you roll your own syrup sucker you'll be hooked.
